## Worried about money?

### Advice on fuel bills

Our fuel advisors help tenants of all ages find the lowest energy rates. Don't pay too much for your electricity and gas.

Advisors can also arrange low-cost repayments if you have fallen behind with payments – or, in some cases, get debts written off.

Speak to your **Housing Officer** about the ways we can help or visit [wlhp.org](http://wlhp.org) for more.

### Banking

Many people worry about getting charges on a bank account. But we can help. We'll help you open a fee-free bank account where you won't be charged when a direct debit or standing order fails.

And if you pay your rent by Direct Debit and have a fee-free account, we can help you get a £50 buffer – similar to an overdraft – on your account. The £50 buffer scheme is available thanks to a partnership with Pollok Credit Union.

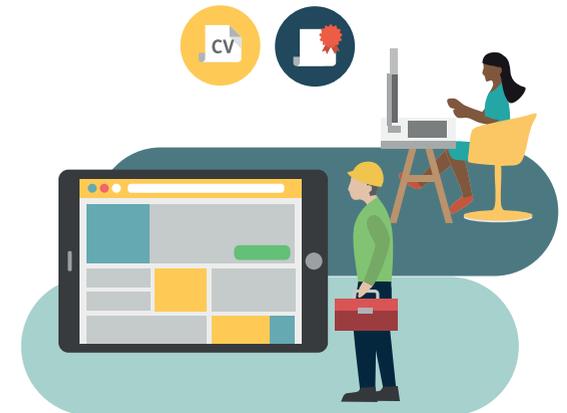

Talk to your Housing Officer about a fee-free bank account or about the £50 buffer.

### Jobs and training

We have a range of ways to help people into jobs and training.

We recruit Modern Apprentices each year and have other employability schemes to support people in our communities.

We encourage our contractors to provide jobs and training for tenants through our Wheatley Pledge scheme. To find out more and see the latest job opportunities go to [wlhp.org/jobs-and-training](http://wlhp.org/jobs-and-training)

## Over 60 or disabled?

### Disabled adaptations

We know there's no place like home. By making a few small changes at home we can help disabled tenants live safely and independently without having to move.

There are two types of disabled adaptations, small and big.

### Small disabled adaptations

We can fit:

- handrails
- grabrails
- lever taps
- higher/lower power points
- an overbath shower.

### Big disabled adaptations

We can fit:

- ramps
- level access showers
- extensions.

An occupational therapist will visit your home to look at your needs.

Ask your **Housing Officer** about adaptations you'd like in your home or find out more at [wlhp.org](http://wlhp.org)

## Want to get online?

### Click & Connect centres

Getting online has never been more important. The internet can help you find work, gain qualifications, cut your energy and shopping bills, and use **My WLHP**, our online services.

This is why we've teamed up with our parent company, Wheatley Group, to fund free computer learning centres for people in our communities.

We've joined forces with Glasgow Kelvin College, the John Wheatley Learning Network and other partners to run 35 free Click & Connect centres.

You can get free use of computers in the centres – and free wifi.

There's expert training on hand to help people use a computer, look for work and more.

A study carried out by WLHP showed tenants saved on average £187 by using internet shopping.
