## **Guide to information available through the Publication Scheme**

Date Updated: 11 November 2021

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to produce and maintain a publication scheme. Authorities are under a legal obligation to:

- Publish the classes of information that they make routinely available
- Tell the public how to access the information and what it might cost.

West Lothian Housing Partnership has adopted the Model Publication Scheme 2018 produced by the Scottish Information Commissioner. This scheme has the Commissioner's approval.

West Lothian Housing Partnership is a subsidiary of the Wheatley Group. Further Information regarding the relationship can be found within the Publication Scheme.

You can see information about the latest scheme on the Commissioner's website at <http://www.itpublicknowledge.info/ScottishPublicAuthorities/PublicationSchemes/PublicationSchemesHome.aspx>

Or by contacting us at the address below:

Email: [informationrequests@wheatley-group.com](mailto:informationrequests@wheatley-group.com)

The purpose of this Guide to Information is to:

- Allow you to see what information is available (and what is not available) in relation to each class
- State what charges may be applied
- Explain how you can find the information easily
- Provide contact details for enquiries and to get help with accessing the information
- Explain how to request information we hold that has not been published

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under Scotland's freedom of information laws (for example sensitive personal information or a trade secret), we may remove or redact the information before publication but we will explain why.

Where West Lothian Housing Partnership holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided that:

- It is copied or reproduced accurately
- It is not used in a misleading context, and

However, we will ask you to contribute 10 percent of the cost if the staff time involved in retrieving the information you have requested, copying and sending it to you is more than £100.

We will never charge you more than the cost incurred by us and we'll let you know in advance what we estimate the cost to be.

When we estimate the cost to us will be more than £600 we may refuse to provide the information, but we will write to you setting this out.
